INTERSTATE 5 LANE CLOSURES BETWEEN STATE ROUTE 58 AND 7TH STANDARD ROAD EXPECT DELAYS

The California Department of Transportation (Caltrans) will conduct a day time lane closures next week on Interstate 5 between State Route 58 and 7th Standard Road in Kern County for deflection testing and asphalt inspection.

The following lane closures will be as follows, weather permitting:

- Southbound #2 (right) lane on Interstate 5 will be closed between 7th Standard Road and State Route 58 on Tuesday, March 22nd from 8:00 a.m. to 2:00 p.m. All on and off ramps will remain open during this lane closure.
- Northbound #2 (right) lane on Interstate 5 will be closed between State Route 58 and 7th Standard Road on Wednesday, March 23rd from 8:00 a.m. to 2:00 p.m. All on and off ramps will remain open during this lane closure.

These closures may continue for longer periods of time if necessary, due to delays caused by uncontrollable events that may occur during Maintenance. This work is scheduled to take place, weather permitting. Motorists may experience delays and are encouraged to take alternate routes whenever possible.

Caltrans would like to thank commuters for their continued patience throughout this construction project. Please be alert for construction personnel and remember to
"Slow for the Cone Zone."
